Medinah Park District Presents:

Park-A-Palooza Day of Service

Join the Medinah Park District in a day of service at Thorndale Park beautifying the area, clearing invasive plants and vegetation, seeding native areas and planting trees. This is a great opportunity for individuals, families or even civic groups to share in the natural beauty of our local outdoor spaces while providing much needed environmental stewardship. Elementary School students are encouraged to bring an environmental poster to be judged. Age Divisions 5-8, 9-12. Families are encouraged to bring a kite to fly to round out the day's events.
