As the crisp winds and cool temperatures of fall begin to emerge, there has never been a better time to join the Park District's family of participants. Improve your health with a Fitness Center, Pickleball or Open Gym membership, participate in a day trip, engage the family in upcoming autumn special events, rent one of our indoor or outdoor facilities, enjoy our natural areas with a walk on one of our many park site trails or take a program you have always wanted to participate in. Whatever your interests, we look forward to seeing you with us during the 2023 autumn season at the Connolly Recreation Center or at a park near you.

## Medinah Park District receives Grant to upgrade Goodenough Park Playground Equipment

The Medinah Park District is excited to announce, in conjunction with PlayCore, Game Time Recreation Products, Cunningham Recreation and the Illinois Park and Recreation Association (IPRA) the receipt of a grant to offset the costs associated with new playground equipment at Goodenough Park, located on Woodview Avenue just west of Rohlwing Road. This partnership is a collaborative effort to improve the quality of life in our community through this Statewide Healthy Play Initiative. The Goodenough Park site, by receiving matching grant funds from GameTime, will be one of many National Demonstration Sites across Illinois and will create outdoor play and recreation spaces that align with evidence-based best practices in the areas of inclusion, nature integration, physical activity and adult fitness. The Goodenough Park project is scheduled for a mid to late fall, 2023 installation of new equipment and various other upgrades to the present playground area. The District will receive a 75% reduction in overall playground equipment costs associated with the project.

Hot Shots Sports aims to develop young athletes who will grow emotionally, physically, and intellectually in our sports programs. By redirecting the focus away from wins and losses and towards personal growth, we create an environment where winning is the byproduct of, and not the means to, success. This approach creates critical thinkers who understand the importance of giving their best in practice, games, and other endeavors. Our Coaches take pride in fostering that drive and motivating your child to find the champion inside of themselves.

In the event we have enough “wait list” participants, kids will be divided up to create an even number of boys and girls on each team. Because of this, we **cannot guarantee** that your child will play on a requested team. Participants will be informed of team placement by their coach on or before Wednesday, August 16.

**Practices and Games** – Practices are held once or twice per week with practice days and times set at the discretion of the coach. Games will be played on Saturday’s (7 games). Time and location of games will be determined by league schedules. Parents must be able to transport their child to and from practices and games.

If you are interested in coaching, please indicate your interest on your child’s registration form.

## Attention Trip Participants!

Did you ever wonder why your favorite trip gets cancelled? Each trip requires careful planning and sometimes this means that deadline dates for final counts are 3-6 weeks before a scheduled trip. If the participant count is not high enough by the deadline date, we must cancel or forfeit our deposit. For this reason, we suggest that if you see a trip that strikes your interest, sign up for it as soon as possible. This will ensure the participant count is high enough to keep the trip going.

All trip return times are approximate. Transportation is provided by the Medinah, Roselle or Bloomingdale Park District mini bus unless otherwise noted. The buses are air-conditioned and provide accessible seating options for our handicapped participants. Refunds requested after the registration deadline will not be granted unless the trip registrant's spot can be filled.

We attempt to give you as much information as possible regarding the amount of walking required during each trip. The symbols will allow you to make a more informed decision regarding trip registration.

**The footprint symbols indicate the amount of walking for each outing.**

## New Park Signage Upgrades at all Medinah Park Sites

The Medinah Park District has been in the process of upgrading all of its park site signage during the late spring and summer of 2023. The new park signs are made of recycled materials that are manufactured to last for a minimum of 25 years. A total of 9 signs are replacing the old wooden signs that were in place at Thorndale, Riha, Manary, Goodenough, Springhill, Nordic and Meacham Creek Parks as well as at Natasha Brandt Nature Preserve and Meacham Wildlife Preserve.

## Co-operative Programs

The Medinah Park District co-ops with the following leisure service agencies to provide program opportunities for you and your family: Addison Park District, Bloomingdale Park District, Itasca Park District, Roselle Park District and the Wood Dale Park District.

## Employment Opportunities

The Medinah Park District offers a variety of part-time and seasonal positions. Individuals who are friendly, hardworking and dedicated to doing a good job are desired. You must be age 16 years or older to be considered for a position. Due to the many applications received and the limited number of positions, the District will only contact those being considered for a position. Please also consider volunteering with the Park District if not hired for a position. The Medinah Park District is an equal opportunity employer.

## Insurance Disclaimer

The Medinah Park District is committed to conducting its recreational programs and services in the safest manner possible and holds the safety of participants in the highest regard. Participants and parents registering their child in recreational programs must recognize, however, that there is an inherent risk of injury when choosing to participate in activities.

Please recognize that the Medinah Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive; therefore, each person registering themselves or a family member for a recreational program/activity should review their own medical insurance policy for coverage. It must also be noted that the absence of medical insurance coverage does not make the Medinah Park District automatically responsible for the payment of medical expenses. The Medinah Park District requires that all program participants or legal guardians sign a Liability Waiver and Release form at the time of registration.

## Program Guide Changes/Errors Disclaimer

Due to the large amount of information available in the Medinah Park District program guide, errors and changes before and after publication may occur. While we attempt to locate and fix all errors in the proofing process, some items are missed. We apologize for any errors that may occur and will attempt to advise you of any changes as quickly as possible. Please check online for updated information.

## Program Cancellations

Programs that do not reach the advertised minimum registration number at least one week prior to the start of the program may be cancelled due to low enrollment. Participants will be notified of the cancellation as soon as possible. Full refunds will be issued for programs cancelled due to low enrollment. If a program has an advertised deadline date listed in the brochure description, the program will be cancelled after that date if minimum registration has not been reached.

## Americans with Disabilities Act

The Medinah Park District is committed to accessibility for individuals with disabilities and strives to provide equal, integrated participation in all programs, services and activities. The park district's policy is to reasonably accommodate all qualified program applicants in accordance with the Americans with Disabilities Act (ADA). We welcome questions, comments and concerns of interested community members regarding district ADA compliance.

To arrange for auxiliary aids or accommodations enabling individuals with disabilities to participate in park district public meetings, or to request publications in a special format (audiocassette, large print) please call 630-893-2560 or write to 22W130 Thorndale Avenue, Medinah, IL 60157.

## Parking for PreK/K, 1st/2nd Grade Soccer Field, T-ball Field

Park District PreK/K, 1st/2nd Grade Soccer and T-ball program participants and spectators should park in the Medinah Intermediate School parking lots located at the corner of Medinah Road and Thorndale Avenue. The lots provide for a short walk to the school athletic fields. These lots are located apart from the main parking lots at Thorndale Park/Connolly Recreation Center.

## Visit Our Website

The Medinah Park District's website can be located at [www.medinahparkdistrict.org](http://www.medinahparkdistrict.org). You can peruse programs, register online, review board of commissioner meeting minutes and agendas, download a printable registration form, find an application for employment or view our site and stay informed. If you have suggestions or ideas for our website, please contact us at 630-893-2560.

## Say Cheese!

Photos and video of participants in programs or special events and users of District facilities or parks are used in publicizing and promoting the District. All persons registering for District programs and activities or using District property thereby agree that any photograph or videotape taken by the District may be used by the District for promotional purposes. Please tell an instructor or photographer if you do not want to be photographed or videotaped.

## Athletic Field Conditions

Home game field conditions and updates for youth soccer, and baseball/softball can be attained by checking the Park District's website at [www.medinahparkdistrict.org](http://www.medinahparkdistrict.org). Please check with your coach about practice and away game cancellations.

## Inclusive Recreation Programs

In a continuing effort to meet the needs of residents with special needs, NEDSRA (see page 32) and the Medinah Park District provide inclusive recreation services. This means that individuals with disabilities can participate in programs offered by the park district. This inclusive recreation environment provides residents with disabilities greater choices for their leisure time and allows all residents to learn about one another as they participate together. Let the park district and NEDSRA know of your special needs and interests so that we can provide the support necessary for successful inclusion. By communicating your needs, the park district and NEDSRA can be prepared to provide you with appropriate services.

## Registration

### 4 Easy and Convenient Ways to Register

- On-Line** Register via <https://apm.activecommunities.com/medinahparkdistrict>
- Walk-In** You may bring your registration form directly to the Registration counter at the Connolly Recreation Center, 22W130 Thorndale Avenue.
- Mail-In** You may mail your registration form to the Medinah Park District, 22W130 Thorndale Avenue, Medinah, IL 60157.
- Fax** You may fax your registration to the Medinah Park District at 630-893-0932. MasterCard, Visa and Discover are accepted. The registration form must be fully completed and signed.

### Registration Hours

Walk-In program registration will be accepted during regular Connolly Recreation Center building hours of 7:00 am-9:00 pm Monday-Thursday, 7:00 am-8:00 pm on Friday, 7:30 am-12:00 pm on Saturday.

Medinah Park District residents receive preference during program enrollment periods and may register for programs beginning July 31, 2023. Registration is taken on a first come, first serve basis. Non-resident registration will begin on August 7, 2023. Non-resident registration rates are 1.75 times the resident fee with the additional fee not to exceed \$15.

All registration fees must be paid at the time of registration unless noted otherwise. Persons enrolling after the start date of a program will be required to pay the entire program fee. Pro-rating of program fees will not be accepted.

### Are You a Resident?

The Medinah Park District has definitive boundaries that take in parts of Roselle (zip code 60172), Itasca (zip code 60143) and Medinah (zip code 60157). In fact, you may be a resident of the Medinah Park District and your neighbor next to you or across the street from you may not be residents of the park district.

Why is this important? Medinah Park District residents support the district by paying property taxes to the district while non-residents do not. Residents are thus afforded special privileges and benefits.

How do you know if you are a resident? If you are a property owner, look at a copy of your most recent tax bill. If the Medinah Park District is listed, you are a resident. If you rent, call us at 630-893-2560 and give us your address; we will be able to tell you if you are a resident or not.

What about those privileges and benefits? To begin, residents receive the first opportunity to register for our seasonal program offerings. Secondly, residents who register for our programs and services are charged a lower user fee than non-residents. Residents are also charged less for facility rentals. This is because residents pay taxes that support our Park District and in return we offer lower fees for services.

### Registration Fees

Cash, personal checks, money orders and VISA, MASTERCARD or DISCOVER CARD may be used to pay for Park District registration fees, membership fees or services. Checks and money orders must be made payable to the Medinah Park District.

### Class Cancellation/Changes

Most programs have a minimum and maximum number of openings. If your class is cancelled due to low enrollment, the park district will make every attempt to offer an alternative class when available or credit a family account or provide a full refund. Class decisions about cancellations are usually made seven days in advance. Please be aware that certain programs have special registration deadlines that will be listed if different than the general seven day period.

Once programs begin, individual classes may change or be cancelled due to weather and/or the instructor being ill. Every attempt will be made to make up the class; however, we cannot guarantee this as there are other programs that may conflict with us being able to provide a makeup time. Unfortunately, refunds cannot be issued if this happens.

### Minimums and Maximums

A class minimum is established to make sure that a program has enough registration support to justify holding the program. Since most instructors are paid per class period, running classes with less than the minimum of registrants would be a drain on the financial network of the Park District. A vast majority of our recreation programs are self-sufficient. If a class does not meet the minimum number of participants, it may be cancelled. In these cases, registrants will be notified. *Please see Program Cancellations on our General Information page.*

Maximum numbers are established to maintain the safety and quality of a program. We keep student/instructor ratios low to insure you get what you pay for; a higher quality program. Room capacity and ratios are primary considerations for the maximum number listed.

### Waiver Forms Required

A signature is required on the waiver portion of all registrations. Please read the waiver in full before signing. Registrations cannot be processed without the waiver signed.

### Return Check Policy

We gladly accept personal checks as payment for registration fees. If, for any reason, a check is returned to our office marked "NSF" we will contact you. You will be required to submit a full cash payment, as well as the current bank service charge, in order to maintain your registration in your particular program of interest. Class privileges will be suspended and new registration will not be accepted until payment is received.

### Refund Policy

Refunds for programs will not be made once a program has begun unless the program is cancelled by the Park District, the participant moves from the district or the participant provides a medical document from his/her physician. Trip refunds will not be made after the registration deadline unless the ticket can be resold.

An administrative fee of \$5.00 will be charged for any refund request except when a program is cancelled by the Medinah Park District. In addition, a refund will be prorated if any classes were attended. Refunds can take up to 4 weeks to process.
